Hat Tip to Doctor of Credit. Released in 1958, the American Express Green Card is one of the original credit cards. Historically, it was used by the upper-middle class primarily for travel and did not offer any rewards. Poker is a card game, the most popular of a class of games called vying games, in which players with fully or partially concealed cards make wagers into a central pot, which is awarded to the remaining player or players with the best combination of cards. A card game is played with a deck or pack of playing cards which are identical in size and shape. Each card has two sides, the face and the back. Normally the backs of the cards are indistinguishable.
