I am using it with my 5 children ranging in ages 8-11 (with a 3 year old along for the ride). Reasons I love it: 1. Captivating- The lessons are communicated in a way that is interesting enough to keep attention and aid in memory retention-thorough education (and more) of anatomy and physiology without being dry. Apology by Plato, part of the Internet Classics Archive ... Commentary: Quite a few comments have been posted about Apology. Download: A 58k text-only version is available for download.
