

Download Click To Calm: Healing The Aggressive Dog

Welcome back for today's follow-up discussion on treating leash reactivity! If you didn't get a chance to read last week's post on this topic, you can find it here. Click on the links below to jump to the corresponding sections: [Sled Dog Necessities](#) [Services](#) [Activities with Your Dog](#) [Health & Wellness](#) [Behavior and Training](#) Just wanted to thank you for making a difference in our family's life by helping us solve and control our dog's dominant/aggressive behavior. Three weeks after graduation, Elmo is still doing great! Times are changing. For many people, the idea of a muzzle evokes a long-standing association with aggressive dogs. That impression can create feelings of fear and worry when people hear about or witness a dog in a muzzle.
