

Download Crusades : A Short History

As well as providing an account of the major Crusades, the author describes the organization of a Crusade, the experience of crusading and the Crusaders themselves. This book will be regarded as providing the standard and authoritative account. Über den Autor und weitere Mitwirkende. Jonathan Riley-Smith is Dixie Professor of Ecclesiastical History. University of Cambridge. Crusades book. Read 6 reviews from the world's largest community for readers. A comprehensive history of the Crusades: an account of the theology of viol... Download our special issue on the history of the Crusades The emergence of this interpretation energised the existing field and had the effect of drawing in a far greater number of scholars. Alongside this came a growing interest in re-evaluating the motives of crusaders, with some of the existing emphases on money being downplayed and the cliché of landless younger sons out for adventure being laid to rest.
