Currency Proliferation: The Monetary Legacy of the Soviet Union (Essays in International Economics) by Conway, P J. Princeton Univ Intl Economics, 1995. This is an ex-library book and may have the usual library/used-book markings inside. This book has soft covers. With usual stamps and markings, In good all round condition. Please note the ... The fifteen newly independent republics of the former Soviet Union began 1992 with a functioning ruble area inherited from the Soviet union. Indeed, early that year, the ruble was atop the currency hit parade; no other currency served as sole legal tender across so many national borders. This essay examines the centrifugal forces at work in the ruble area. Currency Proliferation: The Monetary Legacy of the Soviet Union (Essays in International Economics) [Patrick J.
