

Download Domestic Violence And International Law

Pressestimmen. This book is a must read. It venture into uncharted territory by providing a comprehensive analysis of international human rights and the ability of this body of law to compel states to act to address this form of violence. Reviews “This book is a must read. It venture into uncharted territory by providing a comprehensive analysis of international human rights and the ability of this body of law to compel states to act to address this form of violence. Yale Law School Yale Law School Legal Scholarship Repository Yale Law School Dissertations 2016 A Theory of Domestic Violence in International Law Domestic Violence and International Law argues that certain forms of domestic violence are a violation of international human rights law. The argument is based on the international law principle that, where a state fails to protect a vulnerable group of people from harm, whether perpetrated by the
