

Download Emotional Phases Of A Womans Life

I had been told once that a woman's life, if lived well, goes through four phases. These are the Playful Child, the Sexy Seductress, the Good Mother and the Wise Older Woman (WOW). I was told this as I was entering into the "Good Mother" phase. I accepted it readily and kept the notion at the back of my mind as I observed women throughout the years and placed them in their appropriate category.

Interesting read. Although it is somewhat outdated with its cultural references and the most recent medical knowledge it offered good explanation of what goes on in a woman's life over time. Are you sure you want to remove Emotional Phases of a Woman's Life from your list?
