French or Foe? Getting the most out of living, visiting and working in France. The only book you really need for France. Synopsis Designed primarily for people who will be living or working in France for extended periods, offers lessons on French manners, attitudes, and culture. Polly Platt's title French or Foe? is more timely than ever, as the Franco-American alliance frays a little more with each day, the exchanges more vitriolic than ever before. French or Foe? by Polly Platt. When the stag came out of the forest and saw a horse for the first time, he thought, "Well, there is a brother! But why is his head so bare in the middle of summer?"
