**Department Mission & Profile.** Our Department is committed to rigorous and innovative curriculum that focuses on developing problem-solving, critical thinking, and communication skills, and provides high quality education in chemistry and biochemistry. The Thirty-First Edition of Harper's Illustrated Biochemistry continues to emphasize the link between biochemistry and the understanding of disease states, disease pathology, and the practice of medicine. The University of South Dakota Sanford School of Medicine was awarded the 2017 Spencer Foreman Award for Outstanding Community Service, a nationally recognized award that is considered the top honor a medical school can receive from the Association of American Medical Colleges.
