It's Our Garden: From Seeds to Harvest in a School Garden by George Ancona is a warm and delightful picture book about a school garden at the Acequia Madre elementary school in Santa Fe. Reading, writing, and... radishes? Yes, at Acequia Madre Elementary School in Santa Fe New Mexico. Photo-essayist George Ancona invites the reader to experience a year alongside children, their teachers, parents and community members as they work, learn, and play together in a vibrant courtyard garden. At an elementary school in Santa Fe, the bell rings for recess and kids fly out the door to check what's happening in their garden. As the seasons turn, everyone has a part to play in making the garden flourish. Want to grow what you eat and eat what you grow? Visit this lively, flourishing school-andcommunity garden and be inspired to cultivate your own.
