

# Download Johnny's Song : Poetry Of A Vietnam Veteran

Working on "cuts like a knife" backstage with @bruce springsteen just before we went out and sang it for real at the #invictusgames Toronto. What a moment to hang on to, thanks Bruce. Rescue Me is an American comedy-drama television series that premiered on the FX on July 21, 2004 and concluded on September 7, 2011. The series focuses on the professional and personal lives of a group of New York City firefighters. Route 66 was a hybrid between episodic television drama, which has continuing characters and situations, and the anthology format (e.g., The Twilight Zone), in which each week's show has a completely different cast and story.
