

# Download Jump Manual Jacob Hiller

Jacob Hiller wasn't born a "natural" jumper. In High School he measured a 19" vertical leap at tryouts and barely made the team. Today he jumps over 40" and is one of the most sought after vertical jump specialists in the world. Developed by Jacob Hiller, a famous vertical jump and basketball trainer that has worked with hundreds of basketball players, including professional NBA players, The Jump Manual can be best described as an all-in-one vertical jump training program that covers all the aspects and elements of vertical jump and quickness. If anyone would like to have the contact information of real, unpaid, clients who have no ulterior motive, contact me and I will put you in touch with them. Let's start with the review. About Jump Manual: It is intense workout program created by professional coach Jacob Hiller for all those people that want to increase their vertical jump.
