Iranian cuisine (Persian: آشپزی ایرانی) comprises the cooking traditions of Iran. The term Persian cuisine is also used due to the fact that Iran is also known as Persia, even though the ethnic Persians are only one of Iran's native ethnic groups that have contributed to the culinary culture. Italian cuisine is food typical of Italy. It has developed through centuries of social and economic changes, with roots stretching to antiquity. Completely redesigned for today's generation of cooks and food enthusiasts, the 25th Anniversary Edition of *Food of Life: Ancient Persian and Modern Iranian Cooking and Ceremonies* by Najmieh Batmanglij provides a treasure trove of recipes, along with an immersive cultural experience for those seeking to understand this ancient and timeless cuisine. The menu, featuring a unique combination of traditional home cooked and Indian street foods, reflects the essence of India's broad multicultural influences – including elements from British, Persian, and Jewish cuisine.
