

Download Spring Semester Environmental Chemistry Final Study Guide

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls. Applied Statistics Minor.

Coordinator: Dr. Eddie Bevilacqua . This minor provides students with an opportunity to extend their understanding of and ability to apply statistical methods beyond the basic techniques presented in introductory courses. SUNY-ESF is the oldest and most distinguished institution in the United States that focuses on the study of the environment. Environmental scientists and specialists use their knowledge of the natural sciences to protect the environment and human health. They may clean up polluted areas, advise policymakers, or work with industry to reduce waste.
