

Download Students Rubrics For Loud

Poetry Out Loud supports the proficiency-based learning movement happening across the state. Listed in this document — Proficiency-based learning and Poetry Out Loud — are English Language Arts proficiencies and transferrable skills targeted by Poetry Out Loud. To obtain a customized checklist that you can print out and give to your students, first click in the boxes next to the appropriate items. We know that students learn best when they are truly engaged in what they are learning, when they have the opportunity to explore, debate, discuss, examine, defend, and experiment with the concepts and skills they are ready to learn. At WritingFix, we believe students must practice for their state writing examinations, but we also believe that practicing too much or practicing in a less-than-authentic way might result in poorer performance by young writers.
