Bibliography entry: Nias, Hilary, The Artificial Self: The Psychology of Hippolyte Taine (Cambridge: Legenda, 1999) First footnote reference: 35 Hilary Nias, The Artificial Self: The Psychology of Hippolyte Taine (Cambridge: Legenda, 1999), p. This book reassess Taine as the very model of the European intellectual in the second half of the nineteenth century. The author draws on unpublished manuscripts and letters to reveal a self-disguised, tentative and ironic mentality very like the one Taine described in his psychological writings.
