Background. During the early part of the Second World War, Britain had a nuclear weapons project, code-named Tube Alloys, which the 1943 Quebec Agreement merged with the American Manhattan Project to create a combined American, British, and Canadian project. Historically, the blue moon is the third full moon in a season with four full moons. The United States of America (USA), commonly known as the United States (U.S. or US) or America, is a country comprising 50 states, a federal district, five major self-governing territories, and various possessions. (ed note: this is a commentary about the computer game Children of a Dead Earth) I see a lot of misconceptions about space in general, and space warfare in specific, so today I'll go ahead and debunk some.
