I happened upon this book when visiting the Narcolepsy Network one day recently. I've long been a fan of memoirs (especially health-related), and years ago I searched far and wide for a book about narcolepsy. The audiobook of Wide Awake and Dreaming: A Memoir of Narcolepsy was released on October 1, 2018. Julie hopes this new resource will help to reach new audiences to open more hearts and minds to narcolepsy. I've met Julie Flygare, a passionate advocate for people with narcolepsy, who has a charming personality and is an engaging speaker. Last night I finished Julie's book, Wide Awake and Dreaming: A Memoir of Narcolepsy, and learned that she is also an engrossing storyteller.
