

Download Year 5 Report Card Comments

About this file. Previously at freeducation.co.uk. All 350 of their, Teachers Report Assistant comment files are now in our free report card comment bank. Comments I have collected over the years all in one place. I cannot take credit for them at all - they are just ones I have found on the internet and copied onto a word document. The answer to your report writing needs! This huge document contains differentiated statements covering all subjects in line with the national curriculum. It also features a handy tool which updates all statements with the child's name and gender! Recently updated to include RE and PSHE statements. Now that we've the principles are out of the way, here is my list of 100 report card comments. I've tried to include a wide variety of comments for the wide variety of ability levels and behavioral issues of the kids that we teach in our classrooms.
